DAVE™ 3 Example Project Download

DAVE™ Support Portal

DAVE™ Example Projects can be downloaded from the web to the local library store/ workspace directly in DAVE™. Alternatively all example projects can be downloaded in one zip file from the link below.

GO TO EXAMPLE PROJECT DOWNLOAD

Instruction to import the examples from the downloaded zip file:

- Download the zip file that includes all examples from the link above
- Unzip it somewhere to your local drive, now the individual project zip files can be accessed
- Open DAVE™, then press: >File >Import >Infineon >DAVE Project
- Check: "Select Archive File".
- Browse to the individual project zip file you would like to use
- Press: "Open"
